The Excess All Areas series

A 5-book series

Let Me Love You

He's loved her forever. Now she's marrying another man.

Chaya

The wedding plans are underway, and the Save the Date cards are sent. If only the man she was marrying was the man she loved with all her heart.

Being a contemporary woman in a traditional faith requires compromise. Being in love with her best friend, Sad Fridays' guitarist Ben King, the man who saved her years ago, is agony.

It's official. He has ruined her for all other men.

Ben

He's never fallen off the stage while drunk, until the Save The Date card lands on his door mat.

Despite loving Chaya forever, her father made it crystal clear. Ben will never be the one for his daughter.

Now she's marrying another man, and Ben is beginning to wonder just when Chaya will realise it's him she should be saying I do to.

When tragedy reunites them, Chaya is caught between her fiancé and her love. And it's up to Ben to fight for Chaya or let her go forever.

Praise for the series:

"A heart-wrenching forbidden romance. A rock star you can't help but love. A strong heroine to admire. And a love meant to be. Scarlett Cole takes you apart and puts you back together again."

—Carly Phillips, New York Times bestselling author

"Readers have been clamouring for more rock stars from Scarlett Cole and with ONE DAY LIKE THIS she delivers more than we expected, hoped for and does it with a book that was absolutely amazingly unputdownable. 5 stars is not high enough for this book."

The Maxwell Brothers series

A planned 6-book series

Kiss Me Forever

Last night, he was a sexy stranger I couldn't get enough of. Today, he's my new boss, who I can't seem to please.

Bad luck seems to follow me. Last night, I grabbed a drink at the bar near my new workplace.

I met the most sophisticated man when he "stole" my table. We bantered and danced, and I went home with a stranger for the first time in my life.

The next morning, I find out my hot one-night stand is my new boss. Gone is the playful, charming man from last night. Luke Maxwell is all business, acting as if our night together never happened.

He's impossible to please, but I'm determined to succeed. This job is my chance to prove myself and put my past—and my ex—behind me. I'm not going to mess this up.

But then we go on a business trip together and end up stranded for the night. Instead of discussing our project, he kisses me in the elevator and throws a jealous fit, claiming I'm his.

Apparently, I'm not the only one who can't forget our evening together after all.

"When I think the Maxwell brothers couldn't get any swoonier, Layla Hagen proves me wrong. "Kiss Me Forever" is a swoony, steamy and heartfelt delight."

—Trish, Late Knight Luna Reads

"...5 Maxwell stars for this one! I devoured this book, I love this series, and Layla nailed this one! Don't miss out, grab this one asap!"

—Sharon, East Coast Book Chicks

"A romance that grabs you by the heart and refuses to let go. KISS ME FOREVER is a fire that will not be tamed. Spicy has found its heart."

Filthy Rich Vampire: Second Rite

He wore darkness with such graceful ease...

Thea Melbourne has a broken heart. A month after her world turned upside down, she's struggling to return to the life she left behind. Her mother is in a coma, she's selling off designer gowns to pay the bills, and her roommates seem to think she's made of glass. But when the vampire who broke her heart shows up at the hospital, she learns a devastating secret.

To save the love of his life, Julian pushed her away. Now he has to live with the pain and regret or find someone to put him out of his misery. When it becomes clear that Thea is still in danger, he has a choice to make. He can stay away like the Council demands or risk everything, including their lives, to win her back.

Convincing her means facing his own dark secrets and resisting the temptation to claim her as his mate once and for all. But Thea isn't going to make that easy for him.

Filthy Rich Vampire

The Vampire Diaries meets *Bridgerton*.
Sensual, dangerous, provocative – step into a daring new world of dark magic, primal attraction, and breathtaking romance.

Julian Rousseaux has a problem. He's single, and for the world's wealthiest vampires, the social season is about to begin. Julian would rather stake himself than participate in the marriage market. But as the eldest, eligible Rousseaux he's expected to find a wife before the season ends—whether he likes it or not.

When cellist Thea literally stumbles into his life at a gala, he knows she's the last person he could ever fall in love with. She's too innocent, too kind, and way too human. But now that she knows about his world, she's also a walking target. She needs protection. He needs a fake girlfriend to discourage overzealous vampire matchmaking.

So, Julian makes Thea an irresistible offer: pretend to be his lover and he'll change her life. For one year, they'll attend the season's social events together in exchange for his protection and a way out of her mother's crippling medical debt.

She can't say no. But the vampire world is impossibly decadent and darker than Thea ever imagined, and Julian's filthy rich vampire family wants her out of the way. But with each moment they share, new dangers emerge: a desire as forbidden as their stolen touches, an awakening of a long-dead heart, and secrets that could tear them both apart.

Praise for Geneva Lee:

"Where Americans once waited on the dock for news about Little Nell, now they're hovering over their Kindles for news about a FILTHY RICH VAMPIRE."

The Dynasties series

The truth is a gilded cage. The question is who holds the key? From *New York Times*-bestselling author Geneva Lee comes the thrilling third chapter in the *Dynasties Saga*.

I finally know what happened to Kerrigan. At least, I think I do. But each answer comes with more questions. And every clue leads back to Spencer and Holden. One wants to help me find the truth. One is working to keep me from it. I have no idea which one to trust—or which one to choose.

I was lied to when I stepped into Kerrigan's shoes. Now, I'm left to decide which world I belong to: theirs or the one I left behind?

Praise for Geneva Lee:

"Geneva Lee convinces with a fluid writing style and stories full of drama, ups and downs..."

Rebecca Yarros

A Little Too Close

Nine years ago, Weston Madigan saved me. I came to Colorado penniless, heartbroken, and pregnant, searching for a fresh start. Weston gave me a job at his family's resort, then left the next day and never returned, not even to visit.

Then I stumble in on Weston cooking breakfast shirtless—gloriously, inappropriately shirtless—in the shared kitchen of my duplex in employee housing. Given the shock on both our faces, he wasn't expecting a roommate either, let alone two.

The growly pilot is only home to start his family's new heli-skiing operation. I can handle being his temporary roommate, right? Chemistry and attraction aren't impossible to ignore when you agree on ground rules. Besides, even with those gorgeous, brooding brown eyes, the guy is a walking thundercloud...until my daughter, Sutton, makes him laugh and he smiles at me. Then everything changes. Cue inconvenient heart flip.

This is only temporary.

I can't fall for Weston.

I. Will. Not. Fall. For. Weston.

But rules go out the window when you're a little too close.

Rebecca Yarros is a *Wall Street Journal* and *USA Today*-bestselling author of over fifteen novels. Her novel *THE THINGS WE LEAVE UNFINISHED* got a starred review from *Publishers Weekly* and *THE LAST LETTER* was named one of the best books by *Kirkus* and also got a starred review from *Publishers Weekly*.

Rebecca Yarros

The Legacy series

From *USA Today*-bestselling author Rebecca Yarros comes a brand-new small town, standalone romance. *REASON TO BELIEVE* (book 1) is the first novel in the Legacy series, about the elite hotshot firefighters of Legacy, Colorado, and the women who love them.

"I'll take them!"

That's what I tell the social worker when my pre-k student and his baby brother need an emergency foster placement. I'll do anything to keep the brothers from being split up. But my apartment's flooded and there's only one house I can take them to on such short notice...his.

Knox Daniels, my older brother's best friend, offers his new place without hesitation. He's not moving back to our tiny town until next month—that's when all our hotshot firefighters are returning for their one and only chance to rebuild our fathers' fallen, iconic crew.

It doesn't matter that I've been silently in love with Knox since we were kids. It can't matter that we pretend that reckless prom night kiss never happened. It won't matter that my feelings for him could destroy his lifelong friendship with my brother and threaten the certification of their hotshot crew. Because I'll be out of his house long before he gets back.

Except Knox just walked in...a month early.
And the icing on this awkward cake?
He's gorgeous as always and I'm covered in baby puke.
He takes one look at the boys and tells me we can make this work—
We can temporarily fake a relationship to keep them from being separated by the system.

Suddenly, *everything* matters.

"This book surprised me at every turn. It is my absolute favorite novel by Rebecca Yarros!"
